

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates in certain areas is another example of a powerful media group abusing its privileged access to the public airwaves.

Pappas uses the public airwaves free of charge and is obligated by law to serve the public interest.

If you allow this practice to take place then you are not acting in the public interest, but rather in obvious, negligent, partisan self interest.

This action must be stopped now or Pappas must be forced to 'donate' \$325,000 in airtime to all opposing candidates!

Thank you for your time,
